CANDIDATE STATEMENTS FOR ELECTION OF PARENT GOVERNOR

Kevin Aspin

I am a Chartered Surveyor and I am also employed by the University of Salford as Programme Director. I lecture at both under and post graduate level in property related subjects. I have also held the position as Parent Governor at Gorse Hall Primary School. I also chaired the Finance Sub-Committee. I coach an Under 12's football team in Tameside.

I am keen to play an integral part in supporting the school in providing an excellent learning environment for our boys. I am able to provide innovative ideas. I have a keen eye for detail and I am confident speaker.

Deborah Brown

I have been involved in Education for 20 years and feel every child deserves the best possible life chances. I believe my primary experience will bring a different perspective to the board. At the same time, I am keen to learn about the new assessment agenda for KS3/4.

Born and bred in Tameside, I also attended a single-sexed school and I'd like to find out about the core values at West Hill and how the governing body ensure all the boys become positive role models with desire to do their best, whilst, fostering positive relationships with parents, young-people and teachers

Martha Davies

I have been a dentist for 16 years. I work with a cross section of the community. I am used to gathering information and then making an informed decision. I am the mother of two boys, one in year 8, the other year 5, so I have a vested interest in West Hill School. I believe the school provides boys with outstanding opportunities to enable them to develop into confident young men. I would like to see the school maintain its identity as it transitions into an academy. I am proud to say that my son goes to West Hill.
