

1. Search Educake online and select 'Educake Student Login'

You should come to this page where you select student login.

2. Log into Educake using the username and password given to you in class.

You can also 'Sign in with Microsoft' and use your school email and password to log in.

The image shows the 'Student login' page of the Educake platform. It features the Educake logo at the top. Below the logo, there is a section for 'Educake username' with a text input field containing 'demo_67b70030c9590'. A checkbox labeled 'Remember my username' is positioned below the username field. The next section is for 'Educake password' with a masked text input field showing '*****'. A purple 'Log in' button is located below the password field. Below the 'Log in' button, there is a horizontal line with the word 'or' in the center. Underneath this line, there are two buttons: 'Sign in with Google' (with the Google logo) and 'Sign in with Microsoft' (with the Microsoft logo). At the bottom of the page, there is a link that says 'Trouble logging in?'.

Your homework will appear under this orange banner.

Revision for upcoming tests can be done by clicking on this purple box.
