Audience

This policy should be read by all members of staff who are looking to have a volunteer in their department.

Introduction

We believe that volunteers provide a valuable contribution to the school's work, and that they enrich the school through the breadth of their knowledge and experience.

We are committed to using volunteers in a way that supports the school's strategic aims and vision, as well as its development plan.

We welcome and encourage volunteers from the local community.

Our Volunteers include:

- Members of the Board of Trustees
- Parents of students
- Ex-students
- Students on work experience
- University students referred to us by Student Volunteer Services
- Local residents
- Friends of the school

The types of activities that Volunteers are engaged include:

- Hearing students read
- Working with small groups of students
- Working alongside individual students
- Duke of Edinburgh Award Scheme
- Outside classroom activities

This policy has been developed in line with the statutory safeguarding guidance [Keeping Children Safe in Education \(KCSIE\)](#) from the Department for Education (DfE).

Appointing a Volunteer

Any department that has been approached by a member of the public to be a volunteer at West Hill School must first seek permission from the Head Teacher and then liaise directly with the Business Manager to ensure that the appropriate induction requirements are actioned and appropriate safeguarding and recruitment checks are undertaken, along with relevant training.

The headteacher reserves the right to terminate a placement at any time.

Volunteer Applications

All volunteers will be asked to complete an application form (see appendix 1) prior to joining the school. This details personal information about the applicant, how they are known to school, the department they will be volunteering in and duties being undertaken. The application form is to be emailed to: admin@westhillschool.co.uk, for the attention of the relevant Head of Department. This form is signed by the Head of Department and is passed to the Business Manager for completion of internal procedures.

Volunteer Induction

All volunteers in school will receive induction from the Business Manager. During this session all relevant policies are shared, expectations and procedures made clear and guidelines given.

Confidentiality

Volunteers in school are bound by a code of confidentiality and Data Protection. Any concerns that volunteers have about the **students** they work with/come into contact with must be voiced with the Class Teacher and **NOT** with the parents of the child/persons outside school.

Comments regarding **students'** behaviour or learning can be highly sensitive, and if taken out of context, can cause distress to the parents of a child if they hear about such issues through a third party rather than directly from the school. Volunteers who are concerned about anything another adult in the school does or says should raise the matter with the Head Teacher or the School Business Manager.

Supervision

All volunteers work under the supervision of the Class Teacher of the class to which they are assigned. Teachers retain responsibility for **students** at all times, including the **students'** behaviour and the activity they are undertaking.

Volunteers should have clear guidance from the Teacher as to how an activity is carried out/what the expected outcome of an activity is. Volunteers are encouraged to seek further advice/guidance from the Teacher in the event of any query/problem regarding **students** understanding of a task or behaviour.

Health & Safety

The school has a Health and Safety Policy and this is made available on request to Volunteers working in the school. Induction will ensure that volunteers are clear about emergency procedures (e.g. fire alarm evacuation) and about any safety aspects associated with a particular task. Volunteers need to exercise due care and attention and report any obvious hazards or concerns to the class Teacher/Head Teacher.

Safeguarding

To ensure the safety of our students at all times, all regular volunteers will be required to have been cleared by the Disclosure and Barring Service.

For clarification, where a Volunteer is engaged in a 'one-off' activity e.g. helping supervise a group of children as part of a class visit, no formal checks are carried out on these volunteers. These volunteers must remain under constant supervision of school staff.

Where a volunteer is in school on a regular basis (four times in a month or more or once a week or more, or overnight (between 2am and 6am, as defined by the DfE) a DBS (Disclosure and Barring Service) certificate must be obtained, **these volunteers will be added to the school's Single Central Register (SCR)**. The individual should not start at the school until clearance is obtained.

The safeguarding of our students is paramount. To ensure the safety of our students, we adopt the following procedures:

- All volunteers, upon appointment, will undergo Safeguarding Training
- All Volunteers are given a copy of the Code of Conduct (see appendix 2).
- To ensure the safety of our students at all times, our volunteers (where required) must have a current DBS that the school has requested.
- All Volunteers will apply to the school and the school will carry out the appropriate safeguarding checks (including references if deemed appropriate)
- The Class Teacher will ensure that these volunteers are kept under constant supervision.

Code of Conduct

All Volunteers will be asked to read and sign to say that they understand and will abide by the Staff Code of Conduct for Volunteers – Appendix 2.

Complaints Procedure

Any complaints made about a volunteer will be referred to a Deputy Headteacher or School Business Manager for investigation. Any complaints made by a volunteer will be referred to a Deputy Headteacher or School Business Manager.

The nominated staff lead reserves the right to take the following action:

- To speak with a volunteer about a breach of the Volunteer Code and seek reassurance that this will not happen again.
- Offer an alternative placement for a volunteer, e.g. helping with another activity or in another class.
- Inform the volunteer that the school no longer wishes to use them.

GDPR and Record Keeping

Our staff privacy notice explains what information we collect and why we collect it.

We will:

- Retain records relating to volunteers in line with our records retention schedule
- Remove details of volunteers from the single central record (SCR) once they no longer work at our school

Insurance

The school's insurance policy does cover volunteers in the event of an accident or emergency.

If a volunteer is working at the school through another organisation, we will check that organisation's insurance arrangements.

Introduction

This Code of Conduct reflects relevant legislation, expectations and principles for Volunteers, and reflects the requirement that only the highest standards of integrity are expected. The code sets out the minimum standards that should apply, and is not exhaustive. Inevitably, some issues affect some staff groups more than others and a 'common sense approach' should be employed to the application of the Code of Conduct to different staff groups. However, all volunteers are covered by this code, and as such non-compliance or claimed ignorance of the code will result normally in disciplinary action being considered.
