

# Learning Habits in Music

## Ready

- Attempt to **resolve any practical issues independently** before seeking help.
- Learn **key vocabulary** and apply it appropriately.

## Respectful

- **Listen respectfully** when others are performing.
- Analyse performances to **provide constructive feedback**.

## Responsible

- **Listen to and act on feedback** to improve your performance.
- **Independently solve** the problem/task, using the information and resources available.

## Aim High

- **Listen regularly** to a wide variety of music genres.
- **Practise** outside of the classroom.
- Explore our co-curricular activities and individual music lessons to **learn a new instrument**.
