

Long-term planning

GCSE Physics – Years 10 and 11

Year 10	Term 1		Term 2		Term 3	
THEMES	P4 Electric circuits	P5 Electricity in the home	P6 Molecules and matter	P7 Radioactivity	Paper 1 mock revision and intervention	P8 Forces in balance
Assessment	Assessment 1: End of unit test. Electric circuits	Assessment 3: Consolidation test: Energy	Assessment 4: End of unit test: Molecules and matter	Assessment 5: End of unit test: Radioactivity	Assessment 5: Paper 1 Mock	Assessment 6: End of unit test. Forces in balance
Year 11	Term 1		Term 2		Term 3	
THEMES	P9/P10 Forces and motion	P11 Force and Pressure.	P12 Wave properties	P13/P14 Electromagnetic Spectrum/ Light	P15 Electromagnetism	P16 Space
Assessment	Assessment 1: Consolidation test: Forces and Motion	Assessment 2: End of unit test: Force and Pressure.	Assessment 3: Consolidation test: Year 9 units: Energy	Assessment 4: Consolidation test: Waves	Assessment 5: End of unit test: Electromagnetism	Assessment 6: Consolidation test: Paper 2 Mock
